JOE METTLE GATHERS 1000'S AT PRAISE RELOADED CONCERT

Joe Mettle has once again proven his relevance in the gospel music industry as one of the best and most sort-after gospel artistes from Africa after holding yet another exciting edition of his annual Praise Reloaded concert.

This year's event dubbed 'Wind of Revival', which is the 8th edition since 2011, saw an electrifying atmosphere of praise and worship, living up to the name – a 'reloaded praise' unto God. Many fans as usual thronged the Dome of Perez Chapel International, having both lower and upper sections of the auditorium filled with eager worshippers.
